Líttle Black Dress

You will never go wrong with an LBD. Whenever fashion crisis hits you,just take out your perfect LBD. No matter the ocassion,just make sure to accesorize!

Tailored trousers

Take advantage of in-store fittings to make sure that your trousers fit nicely as you can slide them on for an interview or dinner with boyfriends' parents. Now, who wants an embarassing camel toe? Not us.

The handbag Men always wondrag around with them. There as to why,but to stick to one:

der why women massive handbags are many reasons today we're going style. Go for a

bag with imal tail,capacsecure part-A good worth investwe pret-

carry them with us every day. Go for a colour that goes with everything: black,burgundy or navy blue.

A good pair of jeans

Don't be afraid to splash a little more than what you usually would spend on a pair of jeans. A perfect pair of jeans is a must have. High street can offer some great styles, but this time it's about quality not quantity.

Blazer

A blazer can add sophistication to your outfit or it can be a piece you throw over a day dress.

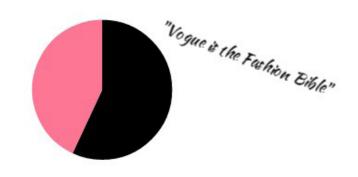

Breton top

Freshen up your comfy jeans or pair with go-to denim shorts. A sleek of red lippy will add elegance to your outfit.
