Irish row thwarts May bid to clinch Brexit trade deal

BRUSSELS - Prime Minister Theresa May failed to clinch a deal to open talks on post-Brexit free trade with the European Union after a tentative deal with Dublin to keep EU rules in Northern Ireland angered her allies in Belfast.

German SPD to start talks

MARKETS

I got inspiration from BBC and Reuters as I liked how they've got a lot of content on the front page and how the logo is directly above the menu bar

My target audience would be people living mainly in South London and with an interest in local news.

Facebook opens new London hub, to create 800 UK jobs

I used Reuters Top News RSS because I like their content and would like my page to be associated with them.

Most pictures I've found online using creative commons and labelled for reuse.
