Review: Kid Kruschev – Sleigh Bells

◊ DECEMBER 8, 2017 ◊ LEAVE A COMMENT

The daring noise-pop duo try to recentre their focus with their newest EP (or is it a mini-album?).

Released: 10/11/2017

Label: Torn Clean

Sleigh Bells debuted with *Treats* back in 2010 – their uncompromising, bold, and EQ-torturing noises were immediately picked up by critics, filling out numerous end-of-year lists. The equal parts twee, equal parts headache album will most likely be

This mum wants Sleeping Beauty removed from her child's curriculum

Has the sexual harassment controversy hit children's books?

Sex & Relationships

Lukas Gerve
28 November 2017

When you think back to your favourite childhood stories, you probably have warm, fuzzy memories of talking animals and evil witches.

But look a bit closer and you might find some unsettling details. Why are there so many unconscious or imprisoned women? Snow White, Rapunzel, Cinderella, Beauty And The Beast's Belle...

One mother has decided to take action by calling for the classic fairy tale Sleeping Beauty to be removed from her six-year-old son's school curriculum, based on fears that the story may be giving young children the wrong message about consent.

Sarah Hall from Tyneside says the story, in which a prince kisses the unconscious Sleeping Beauty to wake her from a curse, features an "inappropriate sexual message" and has contacted the school to request that the book be removed from younger classes.

Single people really love this family's Christmas card joke

"We are all Emily"

Lukas Gerve
1 December 2017

Christmas is the most wonderful time of year – unless your family is constantly hounding you as to why a catch such as yourself is still single.

But, as one Twitter user's photo shows, the most important thing is to be able to laugh at yourself. During the Thanksgiving weekend, Emily Seawright posted her family's hilarious Christmas card online, where it was met with a resounding cry of "same," and made her a hero overnight.

While her siblings may be 'expecting' and 'engaged', and her parents 'excited' for them, Emily is well... just 'Emily'.

- Writing daily news
- Social media reactions and embedding
- Short, punchy style with information interspersed throughout
- Around 500-700 words
