TITLE AND META DESCRIPTION USING YOAST.

The screenshot shows the Yoast SEO snippet editor for a page. At the top left, there are icons for sharing and settings. The main content area displays the page title and URL. Below this, there are buttons for mobile and desktop views, and an 'Edit snippet' button. The 'SEO title' field contains the text 'Report from climate change protests in Elephant and Castle' and has a '+ Insert snippet variable' button. Below the title field are four tabs: 'Title', 'Page', 'Separator', and 'Site title'. The 'Slug' field contains the text 'more-climate-change-protests-cause-chaos-in-elephant-and-castle'. The 'Meta description' field contains the text 'Report from climate change protests in Elephant and Castle' and also has a '+ Insert snippet variable' button. At the bottom, there is a 'Close snippet editor' button.

USE OF HYPERLINKS

Climate change protests, causing serious disruption on major routes in London, have moved into a second day. The protest, organised by new group **Extinction Rebellion** will be in Elephant and Castle until tomorrow.

rebellion.earth

" is the message spread by these yellow tabards, trying to prevent species extinction and climate breakdown. This protest is the group's second major event, after the "Rebellion Day" on 17 November 2018.

South Bank and its busy Christmas market

Christmas Market on the South Bank.

Photo by : Camille Buignet.

As Christmas is getting closer and closer, Christmas markets have popped up everywhere in London. South bank's Christmas market is one of the most popular ones and also one of the biggest ones in the city, although I found it pretty small.
