PROFILE

I am a focused individual who has a passion for the creative industry. In my spare time, I enjoy listening to music and attending live shows/festivals. I also have a keen interest for writing posts on my blog. Furthermore, I enjoy learning about different cultures and seeing the world. I have taken part in two international exchanges, where I stayed with a family in The Netherlands and in Finland.

ACHIEVEMENTS

- Spoke on Heart FM radio to promote a charity
- Co-founded, Produce and Co-Host podcast: The C-Pod

EDUCATION

2016 - 2019 London South Bank University
BA (Hons) Journalism

WORK EXPERIENCE

- May - November 2018 Love The Beat Radio
- Producer and Radio Host on the Internet radio station, every Tuesday at 4 PM - 6 PM.
 - Being a producer, means that I have the responsibility of planning the content for the show. For example, the music, stories, games and guests.
 - I also host the shows that I produce. This involves being in control of the broadcast and equipment, as well as entertaining.
- May - Present 2018 Lock Magazine
- Features writer
 - Interviewed artists and have written music reviews for the company's website and printed publication.
- May - September 2017 Debut Magazine
- Social Media Intern
 - Responsible for scheduling tweets throughout the day, as well as engaging with followers and advertising the magazine.
