

Broadcast Journalism VT package form

(Please complete one form per VT. News editor to oversee completion)

VT package title:

Synopsis:

Name: Craig Fergus

Role: News editor, researcher and director

Time spent on project: 18 hours

Describe your specific contribution to this project: Craig discovered the demonstration with Georgie through an interview for a different project. He then conducted all background research into the demonstrations organisers and found statistics and information for Georgie to use whilst presenting. Craig also directed the VT on the day of the protest.

Name: Georgina Blackwell

Role: Scriptwriter and presenter

Time spent on project: 18 hours

Describe your specific contribution to this project: Georgie was the sole presenter for the Beehive Babies VT, and recorded voiceovers and conducted interviews with people at the demonstration. She also planned the running order of the VT and wrote the script. Georgie found the event with Craig via another interview.

Name: Alessia Sasso

Role: Editor

Time spent on project: 18 hours

Describe your specific contribution to this project: Alessia met with Craig and Georgie before editing and went through 200+ videos of the demonstration to narrow down to the 20 we would use in our VT package. She then edited the entire VT together on her own.

Name: Matthew Creigh

Role: N/A

Time spent on project: Zero hours

Describe your specific contribution to this project: Matt did not contribute anything to our final VT package.
