Chewy Cannon Billboard

The shoe is **Chewy Cannon's new Liberty Cup** model, and features a black upper with brown gum soles.

The shoe retails for \$100 and looks great.

The new obstacle is a bank with steps next to it pushed up against a wall, which gives many options for tricks.

Tricks can be done from both directions: grinding the stairs into the bank, or going from the bank to the stairs.

Also, it can be skated from the bank to the wall.
