Plugin	Description
<input type="checkbox"/> FAuto Poster	A plugin to publish your wordpress posts to your facebook profile and fan pages. Version 2.0.7 By AccessPress Themes Visit plugin site Documentation Support Premium version
<input type="checkbox"/> Theia Sticky Sidebar	Glues your website's sidebars, making them permanently visible while scrolling. Version 1.7.0 By WeCodePixels Visit plugin site
<input type="checkbox"/> WTI Like Post	WTI Like Post is a plugin for adding like (thumbs up) and unlike (thumbs down) functionality for posts/pages. On admin end alongwith handful of configuration settings, it will show a list of most liked posts/pages. If you have already liked a post/page and now you dislike it, then the old voting will be cancelled and vice-versa. You can reset the settings to default and the like/unlike counts for all/selected posts/pages as well. It comes with two widgets, one to display the most liked posts/pages for a given time range and another to show recently liked posts. Check out the powerful PRO version with lots of useful features. Version 1.4.4 By webtechideas Visit plugin site Donate PRO Version PRO Support Forum

with help from events company Continental DMC, Southwark Council was able to host another brilliant night for all their residents. Family event with easyscess for people with a disability, which include drop in and drop off points, blue badge parking and a restricted viewing zone for residents and guests who need extra requirements to see the show.
